Chairman: Mr A. Nash · Chief Executive: Mr R. Gould

24th November 2009

Mr P Downey  
Bay Tree Cottage  
Wellow  
Bath  
BA2 8QE

Dear Peter

Thank you for inviting me to meet you recently together with Councillor Chris Watts and Stuart Priscott, Regional Manager for the Chance to Shine project.

On behalf of the Somerset Cricket Board, I am delighted to lend our support to your excellent initiative to create cricket opportunities at the Bath Recreation Ground.

The Cricket Board understands that initially one pitch will be available within the stadium, although there are plans to extend the number of pitches in due course.

We also understand that potentially the facility would be available from mid June to early August.

In terms of recreational cricket, there is an exciting range of opportunities. These can be summarised as follows:

- Women's internationals
- Women's national finals
- Women's regional finals
- Under 15 regional / county finals
- County Age Group Representative Cricket (Under11 to Under17)
- District Representative Cricket
- Over 50 / Over 60 representative county matches
- County Board Finals for clubs
- Lady Taverners (girls) finals
- Kwik Cricket Festivals (Year 6 boys, Year 5 boys, Year 6 Girls)
- Festivals and competitions in conjunction with Bath CC (using two grounds)
- Chance to Shine competitions

The Somerset Cricket Board would be delighted to work with you to deliver any of the above projects to enable more opportunities to showcase cricket in the north of the county.

Yours sincerely

Andrew Moulding  
Somerset Cricket Development Manager
